III. EXPLANATION OF WHY CONTESTED CHARGE IS IN ERROR

The present application was never published as a pending application and, from a review of the U. S. Patent and Trademark Office's Patent Application Information Retrieval (PAIR) system, there is no projected date for publication of this application. A copy of the PAIR printout is attached hereto.

Additionally, the Notice of Allowance dated June 11, 2007 did not require the payment of a Publication Fee. Accordingly, the Issue Fee in the amount of \$1,400.00 was paid by Applicants on September 6, 2007. Subsequent to the payment of the Issue Fee, it was determined that the Publication Fee in the amount of \$300.00 was erroneously charged to the undersigned's Deposit Account No. 02-2448 (a copy of the Deposit Account Statement is attached hereto).

Since the Issue Fee was paid on September 6, 2007, there should be sufficient time to remove the application from the publication queue. Accordingly, no publication fee should be due (see 37 C.F.R. § 1.211(e), i.e., "The publication fee set forth in § 1.18(d) must be paid in each application published under this section before the patent will be granted...If the application is not published under this section, the publication fee (if paid) will be refunded."). Because this application was never published under 37 C.F.R. § 1.211, it is respectfully submitted that it is inappropriate for the U.S. Patent and Trademark Office to charge the undersigned the \$300.00 publication fee under 37 C.F.R. § 1.18(d). The U.S. Patent and Trademark Office cannot charge fees for services which are not rendered.

IV. MANNER OF REFUND

Please make refund by crediting Account No. 02-2448.

Docket No.: 0230-0169P

We respectfully request that the attached copy of this letter be returned to us with an indication that the credit has been processed.

Dated: OCT 18 2007

Respectfully submitted,
